

# Snowballs

I look out my window.  
I see the wind blowing.  
The fun is going to start.  
It is finally snowing!

I hurry out the door.  
I hear my friends calling.  
I stick out my tongue,  
And catch a snowflake falling!

Whoosh! Whooooooosh!  
Here they come.  
My friends are throwing snowballs.  
It is time to run!

I make my own snowballs.  
Oh, how my pile is growing.  
Whoosh! Whooooooosh!  
Hooray! It is finally snowing!
