

SIGHT WORD BINGO

You can play Sight Word Bingo with your child to help him or her start to memorize sight words.

Directions

- Print out the bingo cards and word cards.
- Cut out the word cards and put them into a bowl or a hat.
- Each player gets one bingo card.
- The parent draws a word card and reads the word. The parent can also have the child read the word.
- Each player looks for the word on his or her bingo card and crosses it off if he or she finds it.
- The first player to cross off five words in a row wins!
